While we aim to deliver the programme as advertised, activities may occasionally change due to weather, staffing, or operational requirements. Any significant changes will be communicated to parents and caregivers as soon as possible.

Children must be signed in and out each day by a parent or authorised guardian. For safety reasons, staff may request photo ID at collection. Please do not be offended—this is for the protection of all children.

If your child will be making their own way to or from the programme, please contact us before the programme begins so the appropriate permission form can be completed.

Please ensure your child's profile is fully up to date, including:

- Emergency contacts
- Authorised pick-ups and drop-offs
- Medical information
- Behaviour notes
- Any additional needs or relevant considerations

Up-to-date information helps us support your child safely and effectively.

If your child requires medication while attending the programme:

- Medication must be signed in with staff each day.
- All medication must be in its original packaging, clearly labelled with the child's name and dosage.
- A Medical Form must be completed before the programme begins.
- Children with ongoing medical conditions (e.g., asthma, allergies, anaphylaxis) must provide a current Medical/Allergy Management Plan.

Children are expected to uphold and demonstrate YMCA values. If a child's behaviour places themselves, others, or staff at risk, parents/caregivers may be contacted to collect them. Ongoing or serious behaviour issues may result in removal from the programme.

Please ensure your child comes prepared each day with:

- Morning tea, lunch, and snacks
- A refillable drink bottle
- Sunhat
- Raincoat
- Appropriate clothing and footwear
- Shoes MUST be worn on trip days

If your child requires specific sunscreen, soap, or hand sanitizer, please clearly label these and send them along each day.

We take due care with children's belongings but cannot accept responsibility for lost or misplaced items. Please label all clothing and items so we can return anything left behind. We prefer that children do not bring electronic devices to the programme. If you need to discuss a specific situation regarding device use, please speak with our team.

### WINZ subsidies available
