The programme may change due to changing government restrictions. If we move into a lockdown, then a credit for future programmes will be available.

Children must be signed in and out by a parent / guardian. Parents / guardians may be asked to show ID when collecting children – please do not be offended as it is for the safety of the children. For children making their own way to from the programme we require an Unaccompanied Child Form to be completed.

If your child requires any special medications, these must be signed in and given to our programme staff. A medical form must be completed and medication must be in its original packaging showing the child's name and medicine type. All children that have an ongoing medical condition (e.g. nut allergy / asthma) must provide the programme with a current Medical/Allergy Management Plan.

Children need to bring with them their lunch, snacks, refillable drink bottle, sunhat and raincoat each day. An SPF 30+ sunscreen will be provided by the YMCA and applied prior to outdoor activities Sept to April. If your child requires a specific sunscreen, please label it with your child's name and send it along with your child each day.

We take due care with children's belongings but accept no responsibility for lost or misplaced items. Please name your children's belongings so any left behind items may be returned.

As per our terms and conditions, activities may change at last minute due to circumstances outside our control (e.g. heavy rain on an outdoor day). Please ensure you have read the terms and conditions before agreeing to them.
