# Y OUT OF SCHOOL CARE

## FUN. DONE. RIGHT.

For years YMCA North has provided a safe and secure environment, where kids can be and enjoy their out-of-school hours. The pandemic has taken a toll on all of us, especially parents who are now busier than before with added commitments adjusting to the new normal.

Y Out of School Care programme aims to support every parent by not only being 'a convenient care service', but a safe haven where every child's development is supported and learning recognised.

With **brand new activities for 2022** designed to keep primary and intermediate-aged children engaged and active, Y Out of School Care programme is based on three fundamentals – Being Active, Creative & Learning Life Skills. Our programmes are focused to ensure the time kids spend with us, brings the best outcome for them. As part of this initiative, we have introduced 5 new zones into our popular Y Out of School Care programme curriculum. This means no term is going to be the same keeping kids always engaged and entertained during sessions.

Brand  
NEW  
activities  
for 2022!

### ZONE 1

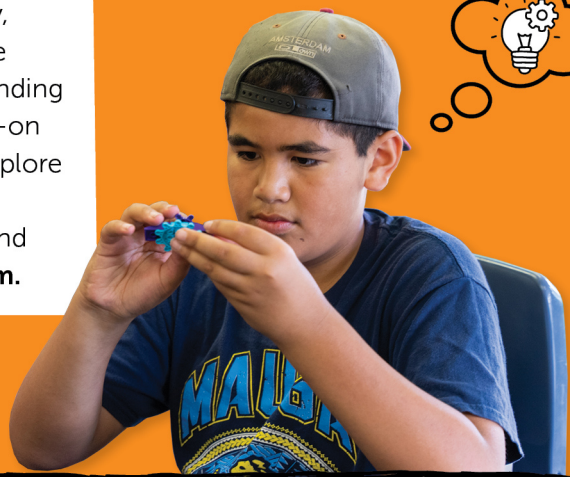

#### Engineering Wonders

Grabbing children's natural passion for exploring how things work, **Engineering Wonders** brings the wonder of STEAM to life. A channel for curiosity that children can use to simply enjoy themselves, or open their minds. With the help of science, technology, and engineering – this zone focuses on exploring and finding answers in a fun and hands-on way! In this module, kids explore with **WhyBricks, Brackitz Complete STEAM Centre** and **Dazzlinks Beams Classroom**.

### ZONE 2

#### Cool Builders

Putting things together, taking them apart, making them better or zanier as you go – **Cool Builders** unlocks the possibilities of design and building with the freedom to tinker, try and fiddle at their own pace. This zone will have kids build with **BricQ Motion Kit, Gravitrax** and **Strawbees School Kit**.

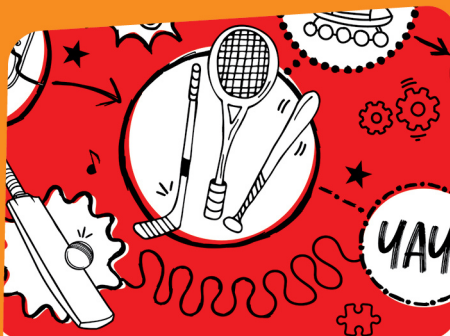

Before and After School Care is available at  
Sunnybrae Normal School and Warkworth School

YMCA North is committed to  
building strong kids, strong families  
and strong communities.

### ZONE 3 Future Inventors

Taking tech from screens and bringing it to hands-on play and fun! **Future Inventors** encourages teamwork and problem solving through technology - from AR and VR to interactive programming and coding. In this zone, kids explore with **Class VR sets, Cubelet Creative Constructors** and **Little Bits Student STEAM Kit**.

### ZONE 4 Sporty Stars

The Y is the ultimate home of kids' physical activity. **Sporty Stars** teaches the best of being active - teamwork, fundamental movement, hand-eye coordination via interactive sports. No pressure to excel, just plain fun to move around! All sporting equipment is provided on-site.

### ZONE 5 Super Artists

**Super Artists** is where self-expression and imagination is brought to life, supported with costumes, musical instruments and props. Inclusive for all levels of stage performer or back-up crew. Whether it is acting, dressing up, singing or dancing, this zone is all about the freedom for kids to grow their imagination and express themselves through arts and performance.

### Additional Term Programmes included

Available each term are 10-week programmes with structured learning through play. Topics include:

- **Y-Active:** fundamental movement and sport; or
- **Mission wYld:** bushcraft and outdoors skills; or
- **Y-Bots:** learning principles of coding

This is free to those enrolled in our after-school care programmes or can be booked in for additional children at a cost.

021 808 278

## Extra Information

Programme activities run from 9am-3pm.  
No extra cost to drop off before 9am or stay after 3pm.  
See below for programme open times

**YMCA North Shore | Akoranga Drive, Northcote**  
09 480 7099 | [northshore@ymcauckland.org.nz](mailto:northshore@ymcauckland.org.nz)

### Bookings are essential and payment is required upon booking

Email [northshore@ymcauckland.org.nz](mailto:northshore@ymcauckland.org.nz) or call 09 480 7099 for absences and cancellations.

#### Programme open and close times and locations:

YMCA North Shore:	7am - 6pm	Akoranga Drive, Northcote
Kauri Park School:	7:30am - 5:30pm	McGlashen Place, Beach Haven
Greenhithe School:	8am - 5:30pm	Isobel Road, Greenhithe

The programme may change due to changing government restrictions. If we move into a lockdown, then a credit for future programmes OR refund will be available.

All YMCA staff are vaccinated, and will be wearing masks inside.

Please note that our excursions are likely to go to places operating under the COVID protection framework. This means that if your child is over 12 years old, they will need to bring a mask in order to attend the excursion.

Children must be signed in and out by a parent / guardian. Parents / guardians may be asked to show ID when collecting children – please do not be offended as it is for the safety of the children. For children making their own way to from the programme we require an Unaccompanied Child Form to be completed.

If your child requires any special medications, these must be signed in and given to our programme staff. A medical form must be completed and medication must be in its original packaging showing the child's name and medicine type. All children that have an ongoing medical condition (e.g. nut allergy / asthma) must provide the programme with a current Medical/Allergy Management Plan.

Children need to bring with them their lunch, snacks, refillable drink bottle, sunhat and raincoat each day. An SPF 30+ sunscreen will be provided by the YMCA and applied prior to outdoor activities Sept to April. If your child requires a specific sunscreen, please label it with your child's name and send it along with your child each day.

We take due care with children's belongings but accept no responsibility for lost or misplaced items. Please name your children's belongings so any left behind items may be returned.

#### WINZ subsidies available

We are MSD approved and registered. To book with the OSCAR subsidy, you will need to contact [amy.armistead@ymcauckland.org.nz](mailto:amy.armistead@ymcauckland.org.nz) so we can complete part of your subsidy application form. 20% is required to confirm your booking. For more information on the Work and Income OSCAR Subsidy, visit [www.workandincome.govt.nz](http://www.workandincome.govt.nz)

We are proudly New Zealand's first and only Safeguarding accredited organisation. This means we take the rights, safety and wellbeing of children and young people seriously, and are committed to ensuring that everyone can enjoy activities, events or programmes in a safe and positive environment. For more information visit [ymcauckland.org.nz](http://ymcauckland.org.nz)
